Officers, Directors and Members  
American Association of Masseurs and Masseuses

Ladies and Gentlemen:

We have examined the books of account and records of Arthur D. Nelson, Secretary-Treasurer of the American Association of Masseurs and Masseuses, from July 1, 1956 to June 30, 1957, inclusive, and have prepared and submit the following statements, supported by our report thereon:

Exhibit "A" Statement of Receipts, Disbursements and Cash  
Reconciliation

Exhibit "B" Statement of Money Held in Trust for Unorganized  
States

SCOPE OF EXAMINATION

We tested the accuracy of the books of account to the extent we deemed necessary. The bank balance was reconciled and was verified by direct correspondence with the depository. The method of accounting for cash received was investigated and the record of bank deposits was tested and reconciled with the books. Cancelled checks were examined as to proper issuance, signatures and endorsements. The collection of dues as recorded in the cash receipt book was checked and reconciled with the individual member's cards kept by the Secretary-Treasurer of the Association.

As of June 30, 1957, the Association had a paid-up and honorary membership of 426. During the period under review, 90 new members were added but 68 members failed to pay their 1956-1957 dues, while four members were reinstated by paying their 1955-1956 dues.

Fees and dues over and above the National Association's share received from members in states in which there existed no state chapter are set forth in Exhibit "A" in the amount of \$355.00. An amount of \$354.00 is held in trust for states having no state chapter and represents a contingent liability to the National Association which may be payable to state chapters organized within the specified period. Under Article Five, Section Six of the Constitution and By-Laws of the American Association of Masseurs and Masseuses any money collected for unorganized states shall be kept in trust for two years and shall be remitted to the state if a chapter is organized within the specified time. All money held in trust one year or more on June 30 of each bi-annual fiscal year (1957, 1959 etc.) will revert to the Association's National Treasury. A summary of the liability is set forth in Exhibit "B".
